****You may also check out books from MRC or art room**

Picasso painted The Old Guitarist using one color (monochromatic). Please describe his “blue period”.

Why did Picasso chose to use an image of a man playing a guitar?

What color did he change to after the blue period? What was this period called?

What style of art is Picasso most famous? (created later in his life) Please describe this style of art.

What do you see when the painting is X-rayed?

Why did Picasso painted over some of his paintings?
