

Artist: Rene Magritte

“Time Transfixed”

Online Research Link: <http://goo.gl/N3uFv4>

****You may also check out books from MRC or art room**

- What is the time on the clock?
- Why did Magritte placed these items together? What is the meaning behind this decision?
- What does the steam represent?
- What kind of Surrealism is shown here? (Levitation, Juxtaposition, Transparency?) Please define these three types of Surrealism.
- Where do you see linear perspective? (Remember when we learned about one and two point perspective?)
