

Vincent Van Gogh

Investigate “The Bedroom”

Online Research Link: <http://goo.gl/eZZ22B>

****You may also check out books from MRC or art room**

How many chairs can you find?

Can you see anything through the window?

How does this painting show depth?

Describe the colors in this painting.

Which two colors dominate the painting?

- How is Vincent Van Gogh’s painting style different from other painters?
- Where is this bedroom in real life?
- Why did Vincent choose to paint a picture of his bedroom? How many versions of The Bedroom did Vincent create?
- Why did he put two chairs in his bedroom? Name at least one other painting where he uses similar chairs.
- The paintings hanging on the wall in The Bedroom were also painted by Vincent. Find the titles of these paintings.
- There are several theories on how Vincent died. We may never know the real reason he died. Please list two of the theories. (make sure you find this information in research. Do not write down what you have heard before.)
